ABOUT US

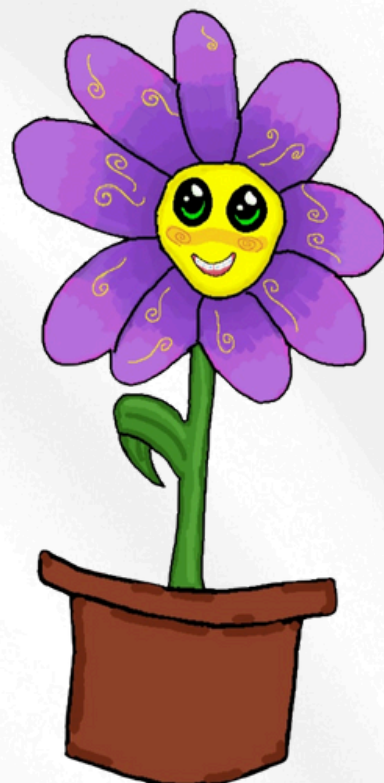

TEAM, a learning company for a fair and sustainable economy, d. o. o., deals with handicraft services. Most of the business is done online, and certain products are sent to customers by mail. With our activities, we create jobs, income and socializing for everyone with special needs.

Our mission

We believe in a customer-centric approach and tailor our services to the unique needs and goals of each business. The learning company has experienced workers who work closely with customers.

Why choose us?

Practice company TEAM, d. o. o., operates throughout Slovenia and abroad. Despite the technological development and wide availability of various products and services, the market is still open for quality and competitive handmade products, such as flowers, crepe paper bouquets ...

Business

Practice company TEAM, d. o. o., operates throughout Slovenia and abroad. Business is mostly done online, we also send certain products to customers by post. The company also participates in various fairs such as the practice firm fair, the international fair, the fair of national costumes in our hometown, etc.

Material

To make beautiful crepe paper flowers, we need the following tools:

- crepe paper,
- wire,
- glue,
- scissors,
- pliers, and
- knitters.
